

January/February 2015

Congratulations to 4-H Participants at the 2015 County Livestock Show. Your hard work & dedication has paid off!

Foard County Newsletter

Included with this Newsletter, you might find a list of the 2015 Livestock Show Buyers for your project this year. At the County Extension office, we do have Thank You cards. If you need some, please come by. All Thank You cards need to be returned to our office, unsealed. We will mail them out. You will, however, be responsible for getting your framed picture, to your buyer.
