**Jaime Durham- Secretary**

**Jaime.Durham@ag.tamu.edu**

This past weekend the Foard County 4-H put that pledge to work. The members saw a need that they could serve by helping raise money for the relief efforts in the Texas panhandle. The kids and other adult volunteers had a BBQ meal and dessert auction that raised over \$6000 to send to the Panhandle Wildlife Relief fund. The kids set up tables, served food, collected donations, tore down tables and chairs, and mopped, all the while learning the importance of serving others. 4-H members were even able to serve a hot meal to some folks travelling through town transporting hay to the panhandle. While the kids learned some important life lessons such as being grateful for everything they have, they learned how valuable it is for a community to come together to help others that are in need. With that, the 4-H members and adult volunteers once again thank everyone that had a hand in making this such a successful event. God Bless each and every one of you.
